5.5 Add office information (and check or create other nested information) for people on factgrid
wiag_to_factgrid.ipynb

Note:
1. Notebooks for step 2 and 3 can be run in parallel.
2. Notebook for step 5.5 needs many entries on Factgrid to be created manually or semi-automatedly (please check the commented code for this). These entries are for institutions (sometimes dioceses), roles and institution roles. Please pay more attention when running that notebook.
